

Premier Reading Stars

School	Stokes Wood Primary School
Reading Champion	Jane Gadsby/Liz Stone
Contact email	jgadsby@stokeswood.leicester.sch.uk
Who was targeted?	Reluctant/disengaged readers in Y3 and 4
Outline of project:	
10 x 2 hour sessions after school which include an hour of reading activities and an hour of football. Children take part in different activities which involve reading, linked to football. They visit the King Power stadium	
Overview of the timelines, additional resources etc.	
It lasts 10 weeks. Resources provided by Premier Reading Stars. We also fund a TA to support the session of 20 children.	
Impact	
Attitude to reading for these pupils is more positive. For some it opens up what reading is all about...not just something you have to do at school. The invite from Filbert Fox gives the intervention something special rather like a golden ticket club. Together with other interventions and quality teaching this supports pupil progress in reading.	
Lessons learnt – advice for other schools	
The children receive activities to do at home between sessions. The TA that supports offers time at school for these to be completed if they are not able to do at home.	
Estimate of costs	£1900 for Premier Reading stars plus approx. £200 for TA
